

Cleo's Alpacas, LLC

211 Cedarcrest Dr, Mooresville, NC

704-663-9785

National Alpaca Farm Days is a day to learn and view alpacas, of all ages, sex, colors, and even a few crias. We will take groups of 8 or less to view the animals, see some of the fleece, and other alpaca products derived from our animals. We will work by appointment so call to reserve a slot for viewing. We will take reservations for Saturday from 2:00 PM to 6:00, and Sunday from 10:00 to 4:00. Each slot will be an hour long. Face mask will be required for all except under 4. This is a unique chance to view animals up close.

There will be other days to view the animals by appointment with a small tour and a fee.
